Harrison 2011 replied to [Re: CCS stuck at "terminating debug session"\(rem breakpoints\)](#) in Code Composer Forum.

Hi Lisa,

since cools was renamed , everytime starting CCS, there are tons of errors in log, which was posted before and one TI guy says all are normal as the file renamed.

please read my post in this thread which reported that the problems with C6 and TI demo codes after I installed CCS0033, they dont' work anymore.
