Products Affected:

The devices listed on this page are a subset of the complete list of affected devices. According to our records, these are the devices that you have purchased within the past twenty-four (24) months. The corresponding customer part number is also listed, if available.

For this PCN, in addition to listing the TI PCN Affected Device and the customer part # (if available) in the table below, we are also including a suggested 'Replacement' Device (if available) and the Replacement 'Code' separated by "|" as follows:

Affected Device | Replacement Device | Code Customer Part# (if avail)

Replacement Code Key:

- F = Similar functionality but not equivalent.
- P = Same functionality but not pin-for-pin equivalent and may not be parametrically equivalent.
- Q = Same functionality and PIN-OUT as the compared device but is NOT an exact equivalent.
- S = EXACT equivalent in functionality and parametrically to the compared device.
