

## Schematic

## Design change

1. R688~R695 : changed from 330ohm to 0ohm
2. Pull-up resistors : tested to 1kohm, 1.8kohm, 4.7kohm, and 10kohm
3. Test channel : Between master(Pin 19/20) and slave(Pin 1/2)

## Waveform measurements
