TECHNOLOGY SOFTWARE PUBLICLY AVAILABLE

Limited License Agreement.

This Limited License Agreement ("Agreement") is a legal agreement between you (either an individual or entity) and Texas Instruments Incorporated ("TI"). The "Software" consists of the following materials: (a) the materials identified as TI proprietary software programs in the software manifest for the software subject to the terms herein, and any "on-line" or electronic documentation associated with these programs, or any portion thereof (the "Licensed Materials"), and (b) the materials identified as open source materials or third party proprietary software in the software manifest for the Software, or any portion thereof ("Public Software"). For clarification, your use of the Licensed Materials is subject to the licensing terms contained in this Agreement and your use of the Public Software is subject to the separate licensing terms specified in the applicable software manifest and/or identified or included with the materials to which they apply. This Agreement does not limit your rights under, or grant you rights that supersede, the license terms of any applicable Public Software license agreement. By installing, copying or otherwise using the Licensed Materials you agree to abide by the terms of this Agreement. If you choose not to accept or agree with these terms, do not download or install the Licensed Materials.

TI hereby grants you a world-wide, royalty-free, non-exclusive license under copyrights and patents it now or hereafter owns or controls to make, have made, use, import, offer to sell and sell ("Utilize") the Licensed Materials. With respect to the foregoing patent license, such license is granted solely to the extent that any such patent is necessary to Utilize the Licensed Materials alone. The patent license shall not apply to any combinations which include the Licensed Materials, other than combinations with devices manufactured by or for TI ("TI Devices"). No hardware patent is licensed hereunder.

Redistributions must preserve existing copyright notices and reproduce this Limited License (including the above copyright notice and the disclaimer and (if applicable) source code license limitations below) in the documentation and/or other materials provided with the distribution.

Redistribution and use in binary form, without modification, are permitted provided that the following conditions are met:

*   No reverse engineering, decompilation, or disassembly of this software is permitted with respect to any software provided in binary form.

*   any redistribution and use are licensed by TI for use only with TI Devices.

*   Nothing shall obligate TI to provide you with source code for the software licensed and provided to you in object code.

If software source code is provided to you, modification and redistribution of the source code are permitted provided that the following conditions are met:

*   any redistribution and use of the source code, including any resulting derivative works, are licensed by TI for use only with TI Devices.

*   any redistribution and use of any object code compiled from the source code and any resulting derivative works, are licensed by TI for use only with TI Devices.

Neither the name of Texas Instruments Incorporated nor the names of its suppliers may be used to endorse or promote products derived from this software without specific prior written permission.
