Texas Instruments and/or its licensors do not warrant the accuracy or completeness of this specification or any information contained therein. Texas Instruments and/or its licensors do not warrant that this design will meet the specifications, will be suitable for your application or fit for any particular purpose, or will operate in an implementation. Texas Instruments and/or its licensors do not warrant that the design is production worthy. You should completely validate and test your design implementation to confirm the system functionality for your application.

Orderable: TPS61391EVM-058	Designed for: Public Release	Mod. Date: 9/19/2019
TID #: N/A	Project Title: TPS61391EVM-058	
Number: BMC058	Rev: A	Sheet Title: TPS61391EVM-058
SVN Rev: Version control disabled	File: BMC058A_SchDoc	Sheet: 1 of 2
Drawn By: Helen Chen	Size: A3	
Engineer: Helen Chen	Contact: http://www.ti.com/support

ZZ2
Assembly Note
These assemblies are ESD sensitive, ESD precautions shall be observed.

ZZ3
Assembly Note
These assemblies must be clean and free from flux and all contaminants. Use of no clean flux is not acceptable.

ZZ4
Assembly Note
These assemblies must comply with workmanship standards IPC-A-610 Class 2, unless otherwise specified.
