

## HPM-100 (improved) Output noise Analysis

Below screenshot was taken at 6V with  $6.9\Omega$  loads ( $870\text{mA}@6\text{V}$ ) on each of the HEATER OUTPUTS.

CH1 setup for DC voltage measurement.

Below screenshot was taken at 6V with  $6.9\Omega$  loads ( $870\text{mA}@6\text{V}$ ) on each of the HEATER OUTPUTS.

CH1 setup for AC voltage measurement.
