**Discontinuance of Select DLP® Controllers**  
**Product Discontinuance Notification**

Dear Customer:

The recipient has been identified for notification of changes for one or more of the products affected by the change detailed in the notice. Customers are notified based on the past twenty-four (24) months of the customer's purchase history or the recipient is listed as being part of GIDEP (Government-Industry Data Exchange Program).

TI is interested in any continuing requirements for the affected devices. We would like the opportunity to continue to service the account and would appreciate it if you would notify us of any future demand for the affected products; to include estimated quantities needed as soon as possible.

In an attempt to satisfy continuing requirements, TI is offering a non-cancelable, non-refundable lifetime buy for the product. Related dates are included in the notification. We will contact you as soon as we have completed a review of all customer responses and determined the appropriate course of action required to satisfy the need for this/these products.

The notification period is governed by TI's standard process. Any inquiries should be directed to your local Field Sales Representative.

If additional supply is required beyond the dates defined in this letter, please contact your local Field Sales Representative to determine if the parts may be available from a TI-authorized distributor for discontinued products. There is no guarantee of continued supply for these products.

For questions regarding this notice, contact your local Field Sales Representative or the PCN Team ([PCN\\_ww\\_admin\\_team@list.ti.com](mailto:PCN_ww_admin_team@list.ti.com)).

Sincerely,

PCN Team

### Product Discontinuance Notification Details

#### Description of Discontinuance:

Texas Instruments, Incorporated (TI) is announcing the discontinuance of controllers listed in the 'Product Affected' section.

IC supplier is permanently transferring these products to Samsung fab in South Korea from Sony fab in Japan

- This is a wafer fab site and process change

	To	From
<b>Wafer Fab Site</b>	Samsung Electronics Co., Ltd., South Korea	Sony Semiconductor Manufacturing Corp, Japan

- Includes optimization for factory flow
- Qualification plan for Samsung fab is included in this PCN.

NOTE: There are no samples offered for withdrawn/obsolete products. If you have any questions, please contact your local sales representative.

#### Reason for Discontinuance:

Continuity of supply by transferring manufacturing support at Sony fab to Samsung fab

#### Anticipated impact on Form, Fit, Function, Quality or Reliability (positive / negative):

- Physical part marking will change for product identification
- Fit, Function and Quality are expected to be equivalent to current devices
- Software changes are not anticipated for the new devices

#### Product Affected:
